**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD
[•], 2013**

Our Board of Directors (the "Board") is furnishing you this proxy statement to solicit proxies on its behalf to be voted at the 2013 Annual Meeting of Shareowners of Remark Media, Inc. (the "Company"). The meeting will be held at our corporate offices at Five Concourse Parkway, Suite 2400, Atlanta, Georgia 30328 on [•], 2013, at 3:00 p.m., local time. The proxies also may be voted at any adjournments or postponements of the meeting.

The mailing address of our principal executive offices is Remark Media, Inc., Five Concourse Parkway, Suite 2400, Atlanta, Georgia 30328. We are first furnishing the proxy materials to shareowners on or about [•], 2013.

All properly executed written proxies, and all properly completed proxies submitted through designated electronic means, that are delivered pursuant to this solicitation will be voted at the meeting in accordance with the directions given in the proxy, unless the proxy is revoked prior to completion of voting at the meeting.

Only owners of record of shares of Common Stock of the Company (the "Common Stock") as of the close of business on [•], 2013, the record date, are entitled to notice of and to vote at the meeting, or at any adjournments or postponements of the meeting. Each owner of record on the record date is entitled to one vote for each share of Common Stock held. On [•], 2013, the record date, there were [•] shares of Common Stock issued and outstanding. We mailed these proxy materials to those stockholders on or about [•], 2013

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: Our board of directors has made these materials available to you on the internet, or, upon your request, has delivered printed proxy materials to you, in connection with the solicitation of proxies for use at our 2013 Annual Meeting of stockholders, which will take place on [•], [•], 2013, at 3:00 p.m., local time, at our offices at Five Concourse Parkway, Suite 2400, Atlanta, Georgia. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our directors and most highly paid executive officers, corporate governance and information on our board of directors and certain other required information.

Q: I share an address with another stockholder, and we received only one paper copy of this proxy statement. How may I obtain an additional copy?

A: We have adopted a procedure called "householding." Under this procedure, we deliver a single copy of this proxy statement to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure is more environmentally friendly and reduces our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written request, we will promptly deliver a separate copy of this proxy statement to any stockholder at a shared address to which we delivered a single copy. To receive a separate copy of this proxy statement, stockholders may write us at the following address:

Investor Relations
Remark Media, Inc.
Five Concourse Parkway, Suite 2400
Atlanta, Georgia 30328

Stockholders who hold shares in street name (as described below) may contact their brokerage firm, bank, broker-dealer, or other similar organization to request information about householding.

Q: What items of business will be voted on at the Annual Meeting?

A: The items of business scheduled to be voted on at the Annual Meeting are:

- The election of four directors.
- The ratification of Cherry, Bekaert & Holland, L.L.P. as Remark Media's independent registered public accounting firm for the fiscal year ending December 31, 2013.
- The approval of the conversion feature of the April 2, 2013, \$4.0 million senior secured convertible promissory note.
- To approve an advisory vote on executive compensation.
- To approve an advisory vote on the frequency of advisory votes on executive compensation.

We will also consider any other business that properly comes before the Annual Meeting.

Q: How does the board of directors recommend that I vote?

A: Our board of directors recommends that you vote your shares:

- "FOR" each of the nominees to the board of directors.
- "FOR" the ratification of Cherry, Bekaert & Holland, L.L.P. as our independent registered public accounting firm for the fiscal year ending December 31, 2013.
- "FOR" the approval of the conversion feature of the April 2, 2013, \$4.0 million senior secured convertible promissory note.
- "FOR" the advisory approval of executive compensation.
- "FOR" a triennial advisory vote on executive compensation.

Q: What shares can I vote?

A: Each share of common stock issued and outstanding as of the close of business on the Record Date for the 2013 Annual Meeting of Stockholders is entitled to be voted on all items being voted on at the Annual Meeting. You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee, or other nominee.

Q: How many votes am I entitled to per share?

A: Each holder of shares of our common stock is entitled to one vote for each share held as of the Record Date on all matters described in this proxy statement for which your vote is being solicited.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders hold their shares as a beneficial owner through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the *stockholder of record*, and this proxy statement was sent directly to you by us. As the *stockholder of record*, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. If you requested to receive printed proxy materials, we have enclosed or sent a proxy card for you to use. You may also vote by telephone, as described in this proxy statement below under the heading "How can I vote my shares without attending the Annual Meeting?"

Beneficial Owner

If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust, or other similar organization, like the vast majority of our stockholders, you are considered the *beneficial owner* of shares held *in street name*, and this proxy statement was forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank, trustee, or nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the *stockholder of record*, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank, trustee, or nominee that holds your shares giving you the right to vote the shares at the meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Q: How can I contact the transfer agent?

A: Contact our transfer agent by either writing Computershare, 300 Galleria Parkway NW, Suite 1020, Atlanta, Georgia 30339, Attention: Cassandra Shedd, or by telephoning 800-777-3674.

Q: How can I attend the Annual Meeting?

A: You are entitled to attend the Annual Meeting only if you were a stockholder as of the Record Date or you hold a valid proxy for the Annual Meeting. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. You should be prepared to present photo identification for admittance. If you are not a stockholder of record but hold shares as a beneficial owner in street name, you should provide proof of beneficial ownership as of the Record Date, such as your most recent account statement prior to [• *record date*], 2013, a copy of the voting instruction card provided by your broker, bank, trustee, or nominee or other similar evidence of ownership.

If you do not provide photo identification or comply with the other procedures outlined above, you might not be admitted to the Annual Meeting. For security reasons, you and your bags will be subject to search prior to your admittance to the meeting.

Please let us know if you plan to attend the meeting by marking the appropriate box on the enclosed proxy card, if you requested to receive printed proxy materials, or, if you vote by telephone or internet, by indicating your plans when prompted.

The meeting will begin promptly at 3:00 p.m., local time. Check-in will begin at 2:45 p.m., local time, and you should allow ample time for the check-in procedures.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank, trustee, or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by proxy. You can vote by proxy by mail or telephone pursuant to instructions provided on the proxy card. If you hold shares beneficially in street name, you may also vote by proxy by telephone or mail by following the voting instruction card provided to you by your broker, bank, trustee, or nominee.

Q: Can I change my vote or revoke my proxy?

A: You may change your vote at any time prior to the taking of the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method), (2) providing a written notice of revocation to our Corporate Secretary at Remark Media, Inc., Five Concourse Parkway, Suite 2400, Atlanta, Georgia 30328, prior to your shares being voted, or (3) attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee following the instructions they provided, or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of the voting power of the issued and outstanding common stock must be present in person or represented by proxy. Both abstentions and broker non-votes (described below) are counted for the purpose of determining the presence of a quorum.

Q: Is cumulative voting permitted for the election of directors?

A: No. You may not cumulate your votes for the election of directors.

Q: What happens if additional matters are presented at the Annual Meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Kai-Shing Tao and Bradley T. Zimmer, or either of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any nominee is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the board of directors.

Q: Who will serve as inspector of elections?

A: The inspector of elections will be our Corporate Secretary, Bradley T. Zimmer.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC within four business days after the Annual Meeting, which will also be available on our website.

Q: What is the deadline to propose actions for consideration at next year's Annual Meeting of stockholders or to nominate individuals to serve as directors?

A: Stockholder Proposals: Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to Remark Media's Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2014 Annual Meeting of Stockholders, the Corporate Secretary of Remark Media must receive the written proposal at our principal executive offices no later than [•], 2014; provided, however, that in the event that we hold our 2014 Annual Meeting of Stockholders more than 30 days before or after the one-year anniversary date of the 2013 Annual Meeting, we will disclose

the new deadline by which stockholders proposals must be received under Item 5 of our earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably calculated to inform stockholders. In addition, stockholder proposals must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Such proposals also must comply with SEC regulations under Rule 14a-8 of the Exchange Act regarding the inclusion of stockholder proposals in company-sponsored proxy materials.

Proposals should be addressed to:

Remark Media, Inc.
Attn: Corporate Secretary
Five Concourse Parkway, Suite 2400
Atlanta, Georgia 30328
Fax: (404) 364-5823

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (1) specified in the notice of a meeting given by or at the direction of our board of directors, (2) otherwise properly brought before the meeting by or at the direction of our board of directors, or (3) properly brought before the meeting by a stockholder entitled to vote at the annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2014 Annual Meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

- not earlier than the close of business on [•], 2014, and
- not later than the close of business on [•], 2014.

In the event that we schedule our 2014 Annual Meeting of Stockholders more than 30 days before or 60 days after the one-year anniversary date of the 2013 Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received not earlier than the 90th day prior to the date scheduled for the 2013 Annual Meeting and not later than the close of business on the later of the following two dates:

- the 60th day prior to the date scheduled for the 2014 Annual Meeting, or
- the 10th day following the day on which public disclosure of the 2014 Annual Meeting date is made.

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we are not required to present the proposal for a vote at such meeting.

Nomination of Director Candidates: You may propose director candidates for consideration by our Nominating and Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors, and should be directed to the Corporate Secretary of Remark Media at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Corporate Governance and Board Matters—Consideration of Director Nominees—Stockholder Recommendations and Nominees" on page [•].

In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in our proxy statement.

Copy of Bylaw Provisions: A copy of our bylaws was filed with the SEC as Exhibit 3.2 to our Current Report on Form 8-K dated December 18, 2007, and is available on our investor relations website at ir.remarkmedia.com and on the EDGAR database at www.sec.gov. You may also contact our Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

CORPORATE GOVERNANCE AND BOARD MATTERS

We are committed to maintaining the highest standards of ethical conduct and sound corporate governance. We have adopted a Code of Business Conduct and Ethics for directors, officers (including our principal executive officer and principal financial and accounting officer), and employees. The Code requires that our directors and employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in our company's best interest. It includes a code of ethics for our chief executive officer, chief financial officer, chief accounting officer or controller, and persons performing similar functions.

As a mechanism to encourage compliance with the Code of Business Conduct and the Code of Ethics, we have established procedures to receive, retain, and address complaints received regarding accounting or auditing matters. These procedures ensure that individuals may submit concerns regarding questionable accounting or auditing matters in a confidential and anonymous manner.

We have also adopted Corporate Governance Guidelines, which, in conjunction with our certificate of incorporation, bylaws, and board committee charters, provide the overall framework for corporate governance at our company.

Our Code of Business Conduct and Ethics, Corporate Governance Guidelines and Board Committee Charters are available for review on our web site at ir.remarkmedia.com/governance.cfm. Stockholders may request free printed copies of our Code of Business Conduct and Ethics, Corporate Governance Guidelines and Board Committee Charters by filling out our contact form at ir.remarkmedia.com/contactus.cfm or sending inquiries to:

Board Meetings

During 2012, the Board of Directors held [•] meetings and acted by written consent [•] times. No director attended fewer than 75% of all meetings held in 2012 of the Board of Directors and the standing committees of the Board on which he served. We do not require our directors to attend our Annual Meeting of stockholders, and last year, one director attended our Annual Meeting of Stockholders.

Board Leadership Structure

Our Board of Directors is led by our Chairman and Chief Executive Officer, Kai-Shing Tao. Kai-Shing has been a director of Remark Media since October 2007, and we believe that the combined roles of Chairman of the Board and Chief Executive Officer is presently in the best interest of Remark Media and its stockholders given the transformational and growth needs of the Company.

At present, the board believes that its current structure effectively maintains independent oversight of management and that having a lead independent director is unnecessary. The board has the ability to quickly adjust its leadership structure should business or managerial conditions change.

Board Committees

Our board of directors has the following three standing committees: (1) an Audit Committee, (2) a Nominating and Governance Committee and (3) a Compensation Committee. Each of the committees operates under a written charter adopted by the board of directors. All of the committee charters are available on our web site at ir.remarkmedia.com/governance.cfm.

The committee membership and meetings during 2012 and the primary functions of each of the committees are described below.

<u>Board of Directors</u>	<u>Audit Committee</u>	<u>Nominating and Corporate Governance Committee</u>	<u>Compensation Committee</u>
Scott Booth*	Member		Chairman
Theodore P. Botts	Chairman	Member	
Kai-Shing Tao**	Member		Member

* Scott Booth resigned as a director on October 15, 2012.

** Kai-Shing Tao no longer served as a member of any committees upon his appointment as an officer on October 16, 2012.

Audit Committee

The main function of our Audit Committee is to oversee our accounting and financial reporting processes, internal systems of control, independent auditor relationships, and the audits of our financial statements. This committee's responsibilities include:

- Selecting and hiring our independent auditors.
- Evaluating the qualifications, independence, and performance of our independent auditors.
- Approving the audit and non-audit services to be performed by our independent auditors.
- Reviewing the design, implementation, adequacy, and effectiveness of our internal controls and our critical accounting policies.
- Overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters.
- Reviewing with management any earnings announcements and other public announcements regarding our results of operations.
- Reviewing regulatory filings with management and our auditors.
- Preparing any audit committee report the SEC requires for inclusion in our annual proxy statement.

During 2012, the Audit Committee held three meetings. Each of our Audit Committee members during 2012, Ted Botts (chairman), Scott Booth and Kai-Shing Tao, were non-employee members of our board of directors while they served on the Audit Committee. Upon Kai-Shing Tao's becoming Co-Chief Executive Officer of the Company, he no longer served as a member of the Audit Committee. Our board of directors has determined that each of the directors serving on our Audit Committee is independent within the meaning of the rules of the SEC and the Listing Rules of The Nasdaq Stock Market.

The board of directors has determined that Ted Botts is an audit committee financial expert as defined under the rules of the SEC. Ted's relevant experience includes his service as President of Kensington Gate Capital, LLC, a private corporate finance advisory firm, and prior to that, his service as Chief Financial Officer of StereoVision Entertainment, Inc. Prior to 2000, Ted served in executive capacities at UBS Group and Goldman Sachs.

The Audit Committee charter is available at ir.remarkmedia.com/governance.cfm. A free printed copy is available to any stockholder who requests it by following the instructions on page [●].

Nominating and Governance Committee

Our Nominating and Governance Committee is responsible for recommending to the board of directors individuals qualified to serve as directors of Remark Media and on committees of the board, advising and overseeing board composition, committees and procedures, and recommending corporate governance principles for the board of directors to adopt. The committee's responsibilities include:

- Evaluating the composition, size, organization, and governance of our board of directors and its committees, determining future requirements, and making recommendations regarding future planning, the appointment of directors to our committees, and the selection of chairs of these committees.
- Reviewing and recommending to our board of directors director independence determinations made with respect to continuing and prospective directors.
- Establishing a policy for considering stockholder nominees for election to our board of directors.
- Recommending ways to enhance communications and relations with our stockholders.
- Evaluating and recommending candidates for election to our board of directors.
- Overseeing our board of directors' performance and self-evaluation process and developing continuing education programs for our directors.
- Evaluating and recommending to the board of directors termination of service of individual members of the board of directors as appropriate, in accordance with governance principles, for cause or for other proper reasons.
- Making regular written reports to the board of directors.

- Reviewing and reexamining the committee's charter and making recommendations to the board of directors regarding any proposed changes.
- Reviewing annually the committee's own performance against responsibilities outlined in its charter and as otherwise established by the board of directors.

During 2012, the Nominating and Governance Committee held one meeting. Our Nominating and Governance Committee member, Ted Botts (current chairman), is a non-employee member of our board of directors. Our board of directors has determined that each of the directors serving on our Nominating and Governance Committee is independent as defined in the Nasdaq Listing Rules.

The charter of the Nominating and Governance Committee is available on our web site at ir.remarkmedia.com/governance.cfm. A free printed copy is available to any stockholder who requests it by following the instructions on page [●].

During 2012, the Compensation Committee held three meetings. Each of our Compensation Committee members, Scott Booth (chairman, whose term as a director ended October 15, 2012), Ted Botts, and Kai-Shing Tao (who no longer served as a member of the Compensation Committee upon being appointed Co-Chief Executive Officer on October 16, 2012), were each an “outside” director as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and a “non-employee” director within the meaning of Rule 16b-3 of the Exchange Act. Our board of directors has determined that each of the directors serving on our Compensation Committee is independent as defined in the Nasdaq Listing Rules.

The CD&A included in this proxy statement includes additional information regarding the Compensation Committee's processes and procedures for considering and determining executive officer compensation.

Compensation Committee Interlocks and Insider Participation

Scott Booth, Arthur Kingsbury and Kai-Shing Tao served as members of our Compensation Committee during 2012. None of these individuals was at any time during 2012 or at any other time an officer or employee of Remark Media while they served as members of the Compensation Committee. No interlocking relationship exists between any member of our Compensation Committee and any member of any other company's board of directors or compensation committee.

Board's Role in Risk Oversight

As part of its oversight function, our board of directors and its committees regularly undertake reviews of the significant risks in respect of our business. These reviews are supplemented as necessary by outside professional advisers with expertise in the substantive areas of our business. The committees facilitate deeper analysis of various matters and promote regular monitoring of our activities in their advisory role to the board of directors. Specifically, the Audit Committee oversees the Company's risk policies and processes relating to our financial statements and financial reporting, as well as liquidity risks, market risks, and the policies and procedures for monitoring and mitigating these risks. The Audit Committee also reviews, monitors and decides upon related party transactions. Similarly, the Compensation Committee oversees risks related to the Company's compensation policies.

Director Independence

The board of directors has determined that each of the director nominees standing for election, except Kai-Shing Tao, who is Chief Executive Officer of Remark Media, has no relationship that, in the opinion of the board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is an “independent director” as defined in the Nasdaq Listing Rules. In determining the independence of our directors, the board of directors has adopted independence standards that mirror exactly the criteria specified by applicable laws and regulations of the SEC and the Nasdaq Listing Rules. In determining the independence of our directors, the board of directors considered all transactions in which Remark Media and any director had any interest, including those discussed under “Certain Relationships and Related Transactions” below.

Consideration of Director Nominees

Stockholder Recommendations and Nominees

The policy of our Nominating and Governance Committee is to consider properly submitted recommendations for candidates to the board of directors from stockholders. In evaluating such recommendations, the Nominating and Governance Committee seeks to achieve a balance of experience, knowledge, integrity and capability on the board of directors and to address the membership criteria set forth under “Director Qualifications” below. Any stockholder recommendations for consideration by the Nominating and Governance Committee should include the candidate's name, biographical information, information regarding any relationships between the candidate and Remark Media within the last five years, a statement of recommendation of the candidate from the stockholder, a description of the shares of Remark Media beneficially owned by the stockholder, a description of all arrangements between the candidate and the recommending stockholder and any other person pursuant to which the candidate is being recommended, a written indication of the candidate's willingness to serve on the board and a written indication to provide such other information as the Nominating and Governance Committee may reasonably request. There are no differences in the manner in which the Nominating and Governance Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder or otherwise. Stockholder recommendations to the board of directors should be sent to:

Remark Media, Inc.
Attn: Corporate Secretary
Five Concourse Parkway, Suite 2400
Atlanta, Georgia 30328

In addition, our bylaws permit stockholders to nominate directors for consideration at an annual meeting. For a description of the process for nominating directors in accordance with our bylaws, see “Questions and Answers about the Proxy Materials and the Annual Meeting—What is the deadline to propose actions for consideration at next year’s Annual Meeting of stockholders or to nominate individuals to serve as directors?” on page [•].

Director Qualifications

Our Nominating and Governance Committee will evaluate and recommend candidates for membership on the board of directors consistent with the criteria established by the committee. The Nominating and Governance Committee has not formally established any specific, minimum qualifications that must be met by each candidate for the board of directors or specific qualities or skills that are necessary for one or more of the members of the board of directors to possess. However, the Nominating and Governance Committee, when considering a candidate, will factor into its determination the following qualities of a candidate: educational background; diversity of professional experience, including whether the person is a current or former CEO or CFO of a public company or the head of a division of a large international organization; knowledge of our business; integrity; professional reputation; strength of character; mature judgment; relevant technical experience; diversity; independence; wisdom; and ability to represent the best interests of our stockholders.

Our board of directors comprises a diverse group of leaders in their respective fields. Some of the current directors have senior leadership experience at major domestic and international corporations. In these positions, they have gained experience in core management skills, such as strategic and financial planning, public company financial reporting, compliance, risk management, and leadership development. Some of our directors also have experience serving on boards of directors and board committees of other public companies, and have an understanding of corporate governance practices and trends, which provides an understanding of different business processes, challenges, and strategies. Other directors have experience as principals in private investment and advisory firms, which brings financial expertise and unique perspectives to the board. Further, Remark Media’s directors also have other experience that makes them valuable members, such as experience managing technology companies or developing and pursuing investment or business opportunities in international markets, which provides insight into strategic and operational issues faced by Remark Media.

Set forth below are a chart and a description of the specific qualifications, attributes, skills and experiences of our directors. While we look to each director to be knowledgeable in these areas, an “X” in the chart below indicates that the item is a specific qualification, attribute, skill or experience that the director brings to the Board. The lack of an “X” for a particular item does not mean that the director does not possess that qualification, attribute, skill or experience.

Identification and Evaluation of Nominees for Directors

Our Nominating and Governance Committee uses a variety of methods for identifying and evaluating nominees for director. The committee regularly assesses the appropriate size and composition of the board of directors, the needs of the board of directors and the respective committees of the board of directors and the qualifications of candidates in light of these needs. Candidates may come to the attention of the Nominating and Governance Committee through stockholders, management, current members of the board of directors or search firms. The evaluation of these candidates may be based solely upon information provided to the committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the committee deems appropriate, including the use of third parties to review candidates.

Executive Sessions

Executive sessions of independent directors are held in connection with regularly scheduled meetings of the board of directors and at other times as necessary. The board of directors' policy is to hold executive sessions without the presence of management, including the Chief Executive Officer, and where appropriate the other non-independent directors.

Outside Advisors

Our board of directors and each of its committees may retain outside advisors and consultants of their choosing at our expense. The board of directors need not obtain management's consent to retain outside advisors.

PROPOSAL NUMBER 3

APPROVAL OF THE CONVERSION FEATURE OF THE APRIL 2, 2013, \$4.0 MILLION SENIOR SECURED CONVERTIBLE PROMISSORY NOTE

Introduction

On April 2, 2013, we issued a \$4.0 million Senior Secured Convertible Promissory Note (the "Note") to Digipac, LLC (the "Lender") an entity controlled by and in part owned by Mr. Kai-Shing Tao, our Chairman and Chief Executive Officer. The Note was approved by the Audit Committee of the Board, which believes the related party transaction was negotiated as an arms-length transaction. The terms of the Note include:

- Interest accrues at 6.67% on an annual basis, payable quarterly, for the first year of the Note, and at 8.67% on an annual basis, payable quarterly, for the second year of the Note.
- All principal and any accrued and unpaid interest is due and payable in full on the second anniversary of the Note.
- The repayment of all principal and accrued and unpaid interest is secured by all assets of the Company other than the common shares of Sharecare, Inc. owned by the Company.
- If this Proposal No. 2 is approved by our stockholders, all principal and accrued interest on the Note is convertible at the rate of \$2.00 of principal and interest for each share of our common stock: (a) at any time at the election of the Lender; or (b) at any time after April 2, 2014, at our election, provided that the volume weighted average price of our common stock is at least \$3.00 for at least 30 out of the 40 trading days immediately prior to the date we elect to convert. Accordingly, assuming the Note is converted into our common stock on October 2, 2013, the Note would be converted into approximately 2,066,700 shares of our common stock, which includes 2,000,000 shares attributable to principal and 66,700 shares attributable to accrued interest.

Reasons for Stockholder Approval

We are seeking your approval solely with respect to the conversion feature of the Note. Neither Delaware law nor our Second Restated Certificate of Incorporation or our Second Amended and Restated Bylaws require us to obtain stockholder approval of the conversion feature of the Note. However, our common stock is listed on the Nasdaq Capital Market and, as such, we are subject to the Nasdaq Listing Rules. Nasdaq Listing Rule 5635(b) requires prior stockholder approval for issuances of securities that will result in a "change of control" of the issuer (the "Nasdaq Change of Control Rule"). We believe it is likely that Nasdaq will deem a change of control to occur when, as a result of an issuance, an investor or a group would own, or have the right to acquire, 20% or more of the outstanding shares of common stock or voting power and such ownership or voting power would be the largest ownership position of the issuer. Currently, the Lender and Mr. Tao collectively beneficially own approximately 19.6 percent of our outstanding common stock primarily through the Lender's ownership of a promissory note issued in November 2012 (the "Initial Note") which is currently convertible into approximately 1,384,615 shares of our common stock. Since (i) the Lender and Mr. Tao do not currently own in excess of 20 percent of our common stock, and (ii) the conversion of all of the principal and interest of the Note by the Lender, absent any other issuance of common stock by us, will result in the issuance of more than 20 percent of our common stock and results in the Lender being our largest stockholder, then conversion of the Note would likely be deemed a change of control under the Nasdaq Change of Control Rule. Accordingly, we seek your approval of this Proposal in order to satisfy the requirements of the Nasdaq Change of Control Rule with respect to the issuance of the common stock upon conversion of the Note.

Effect of Approval of Conversion Feature of Promissory Notes on Shareholders

If this Proposal No. 2 is approved by our stockholders, all principal and accrued interest on the Note is convertible at the rate of \$2.00 of principal and interest for each share of our common stock: (a) at any time at the election of the Lender, or (b) at any time after April 2, 2014, at our election, provided that the volume weighted average price of our common stock is at least \$3.00 for at least 30 out of the 40 trading days immediately prior to the date we elect to convert.

Existing stockholders will suffer significant dilution in ownership interests and voting rights as a result of the issuance of shares of our common stock upon the conversion of the Note. Assuming all of the principal and interest of the Note are converted into common stock on October 2, 2013, an aggregate of 2,066,700 additional shares of our common stock will be outstanding, and the ownership interest of our existing stockholders would be correspondingly reduced. The Lender would own approximately 21.7% of our issued and outstanding common stock. This percentage does not give effect to (i) the issuance of shares of common stock pursuant to the Initial Note or other outstanding options and warrants or convertible securities, or (ii) any other future issuances of our common stock. The issuance of common stock upon the conversion of the Note could materially and adversely affect the market price of our common stock by increasing the number of outstanding shares of common stock. In the event our stockholders do not approve the conversion feature of the Note there is no penalty or alternative outcome; the Note will continue subject to its terms (which are summarized above).

Reasons for Approving the Conversion Feature

The Board believes that it is in our best interests and the best interests of our stockholders to approve the conversion feature of the Note for the following reasons:

- We will not have to pay any interest or principal amount of the Note in cash if the Note is converted into common stock;
- We do not have sufficient available capital to pay the interest or principal amount of the Note in cash, and failure to convert the Note into common stock would likely result in a default;
- We will have more flexibility with respect to future financing needs; and
- The conversion price of \$2.00 per share was greater than the market value of our common stock at the date of issuance of the Note. Such conversion price represented an approximately 32% premium to the average volume weighted average prices of our common stock for the thirty trading days prior to entrance into the Note.

Required Vote

This Proposal to approve the conversion feature of the Note will be approved if a majority of the votes cast at the Annual Meeting in person or by proxy and entitled to vote at the Annual Meeting are voted in favor of such approval.

Recommendation

Our board of directors recommends a vote FOR the approval of the conversion feature of the April 2, 2003, Note.

PROPOSAL NUMBER 4

PROPOSAL FOR ADVISORY VOTE ON EXECUTIVE COMPENSATION – “SAY-ON-PAY”

The Compensation Committee of the board of directors has established an executive compensation program that it believes appropriately supports Remark Media’s business goals in attracting, motivating and retaining talented and entrepreneurial executives. Additionally, the Compensation Committee has acknowledged the value being provided by the Company’s Chief Executive Officer, who is serving without taking a salary for his role as an executive.

Section 14A of the Exchange Act, which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, requires that, not less frequently than once every three years, we provide stockholders with an advisory vote to approve the Company’s executive compensation as disclosed herein. Accordingly, stockholders are being asked to approve the following advisory resolution:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure in the Company’s Proxy Statement for the 2013 Annual Meeting of Stockholders.

We urge stockholders to read the "Compensation Discussion and Analysis" section of this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation table and other related compensation tables and narratives, which provide detailed information on the compensation of our listed officers. The Board and the Compensation Committee believe that the policies and procedures articulated in "Compensation Discussion and Analysis" are effective in achieving our goals and that the compensation of our listed officers reported in this proxy statement will support and contribute to the company's long-term success.

Required Vote

There is no required vote to this proposal. Although the voting results are not binding, the Compensation Committee will review and consider them when evaluating our executive compensation program.

Recommendation

Our board of directors recommends a vote FOR the approval of our executive compensation on an advisory basis.

* * * * *

PROPOSAL NUMBER 5

PROPOSAL FOR ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

In addition to asking you to cast an advisory vote on executive compensation (a so-called “say-on-pay” vote), we are also asking you to cast an advisory vote on the frequency of that “say-on-pay” vote. You are being asked to indicate whether the advisory “say-on-pay” vote should be held every one, two or three years.

The Board recommends that such advisory vote occurs on a triennial basis.

If the Board’s recommendation is adopted by the stockholders, the stockholders would vote at every third annual meeting of stockholders on the compensation policies and procedures as described in the “Compensation Discussion and Analysis” section of the proxy statement for that meeting. The triennial advisory vote would be non-binding, but the Board and the Compensation Committee would take into account the outcome of the vote when making future decisions about the Company’s executive compensation policies and procedures.

Required Vote

The proxy card gives you four choices for voting on this proposal. You can choose whether the “say-on-pay” vote should be held every year, every two years or every three years. You may also abstain from voting. You are not voting to approve or disapprove the Board’s recommendation on this proposal.

Recommendation

Our board of directors recommends a vote for “EVERY THREE YEARS” on the proposal for a triennial advisory vote on executive compensation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers, and holders of more than 10% of our common stock to file with the SEC reports regarding their ownership and changes in ownership of our securities. We believe that, during 2012, our directors, executive officers, and 10% stockholders complied with all Section 16(a) filing requirements, other than Digipac, LLC, whose Form 3 regarding the November Digipac Note was filed December 12, 2012, and Kai-Shing Tao, whose Form 4 regarding the November Digipac Note was filed December 12, 2012.

In making these statements, we have relied upon examination of the copies of Forms 3, 4 and 5, and amendments to these forms, provided to us and the written representations of our directors, executive officers and 10% stockholders.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our policy regarding transactions with management is that they should be made on terms no less favorable to us than could have been obtained from unaffiliated third parties. All transactions between us and our officers, directors, principal stockholders and their affiliates will be approved by our Audit Committee or a majority of the disinterested directors, and will continue to be on terms no less favorable to us than could be obtained from unaffiliated third parties.

Contribution Agreements

Pursuant to the terms of two contribution agreements, HowStuffWorks, which owns approximately 9.33% of our outstanding stock, contributed content owned by or licensed to HowStuffWorks to us by granting to us a perpetual, fully paid, royalty-free, sublicensable, exclusive license in certain territories. The content specifically consists of the right to render Chinese and Portuguese translations of, the right to publish or use any or all actual renderings in the translated languages and all such actual renderings of, such licensed and sublicensed content, including derivative works, solely in digital and/or electronic form. All sublicensed content is subject to the terms, conditions and restrictions set forth in the applicable third party licenses from which the sublicensed content is sublicensed. HowStuffWorks is the sole and exclusive owner of the licensed content, the applicable third party licensors are the sole and exclusive owners of the applicable sublicensed content and we are the sole and exclusive owner of the content, subject to HowStuffWorks and its licensors' rights in the underlying content.

HowStuffWorks also granted to us a limited, perpetual, fully paid, royalty-free, non-sublicensable, non-transferable, exclusive license in the territories to (i) use the content solely for purposes of translating it into the translation languages, and (ii) use limited excerpts of the licensed content translated into the translation languages in print format with limited distribution to businesses solely for purposes of marketing, business development, financings and other similar legitimate business purposes, provided that any such limited print excerpts are not distributed publicly.

HowStuffWorks may terminate the licenses in either of the territories upon written notice to us if: (i) we file a petition for bankruptcy or are adjudicated bankrupt; (ii) a petition in bankruptcy is filed against us and this petition is not dismissed within ninety calendar days; (iii) we become insolvent or make an assignment for the benefit of our creditors or an arrangement for our creditors pursuant to any bankruptcy law; (iv) we discontinue the business that is covered by either of the contribution agreements; (v) a receiver is appointed for us or our business; or (vi) we are in material breach of any of the terms or conditions set forth in either of the contribution agreements, which breach remains uncured 30 days after written notice of such breach from HowStuffWorks so long as such material breach was not caused by any action or inaction of HowStuffWorks, and HowStuffWorks did not prevent or limit our attempts to cure such breach.

Pursuant to the terms of an update agreement, HowStuffWorks will provide all updates (i.e., modifications and new content) to us for our purchase. With respect to updated content that we elect to purchase, HowStuffWorks will grant to us the same license rights as those granted pursuant to the contribution agreements with respect to any updates to the content licensed pursuant to the contribution agreement for a fee equal to (i) one percent per territory of HowStuffWorks' fully allocated costs directly attributable to producing the updates purchased by us and (ii) HowStuffWorks' actual cost in transferring the purchased updates to us, plus (iii) five percent of (i) and (ii) above. Sublicensed content restrictions, ownership rights and termination rights are the same as those granted pursuant to the contribution agreements. HowStuffWorks may suspend its obligation to provide updates to us if we fail to pay any update fee for 90 days after such fee was due or if we become insolvent.

Trademark License Agreement

A trademark side letter dated April 20, 2006, between HowStuffWorks and Remark Media was amended to provide that the license fee will be 2% of Remark Media's net revenue derived from use of the licensed name and marks in the territories of China and Brazil, up to a limit of \$100,000 annually for the territory.

Stockholders Agreement

Non-Competition. We agree that, during the term of the stockholders agreement, we will not, and will use our best efforts to cause each of our subsidiaries to not, within the United States, (a) enter into any agreement with, hold any equity or financial interest in, or permit our name or any part thereof to be associated in business with, any person that provides any services or products that compete with any services or products of HowStuffWorks in the United States, or (b) otherwise provide any services or products that compete with any services or products of HowStuffWorks in the United States, except with the prior written consent of HowStuffWorks.

Termination. The stockholders agreement may be terminated by written agreement of all parties with rights under the stockholders agreement, or upon the expiration of (i) all rights created pursuant to the stockholders agreement and (ii) all applicable statutes of limitations applicable to the enforcement of claims under the stockholders agreement, except that our right to participate in other markets transactions and HowStuffWorks' rights to any additional content will terminate three years after the date of the stockholders agreement.

Registration Rights Agreements

In connection with the INTAC merger of 2007, we also entered into a registration rights agreement with HowStuffWorks that provides it the right to make three requests to us to register its shares on Form S-3, and unlimited requests to us to include shares on other registration statements filed by us.

Sharecare Transactions

On October 30, 2009, we entered into and effectuated a series of transactions with Sharecare, Inc. As a result of these transactions, Remark Media received an equity stake in Sharecare, sold substantially all of the assets of its Daily Strength, Inc. subsidiary to Sharecare, agreed to provide management and website development services to Sharecare, and received a limited license to use the Sharecare Web platform for its own businesses. Additionally, Remark Media issued a promissory note to Sharecare, the majority of which has been offset by services Remark Media provided to Sharecare. Finally, Sharecare assumed certain Daily Strength liabilities, including the earn-out payment of up to \$3.525 million under the merger agreement by which Remark Media acquired Daily Strength.

The transactions did not require Remark Media stockholder approval, and Remark Media stockholders do not have any statutory appraisal or dissenters' rights with respect to the transaction. Remark Media's Board of Directors established a Special Committee, consisting of three independent directors without any interests in Sharecare, to evaluate and recommend the terms of these transactions to the Board, and the committee retained Hudson Advisory Partners, Inc. as its financial advisor with respect to the transactions, which engagement was subsequently assigned to Ackrell Capital LLC as was contemplated in the engagement letter.

We also entered into a Subscription Agreement for the purchase of 125,000 shares of common stock of Sharecare, representing 20% of the company at the time of purchase. The aggregate purchase price for the shares was \$1,250,000. In exchange for the shares, Remark Media contributed \$250,000 worth of development work to Sharecare and issued a Secured Promissory Note to Sharecare in the principal amount of \$1,000,000, which has since been satisfied in full by services the Company provided to Sharecare in 2009. Subsequent issuances of equity by Sharecare have reduced Remark Media ownership percentage in Sharecare to approximately 10.8% as of December 31, 2012.

In addition, we entered into a Letter Agreement for Services with Sharecare pursuant to which we agreed to perform services related to the design, development, hosting and related services necessary to launch and operate the Sharecare website through our direct activities and management of third party vendors. Sharecare will pay Remark Media for the fully burdened cost of Remark Media personnel dedicated to the services and other costs incurred in providing the services plus a fixed monthly management fee. Sharecare will pay Remark Media for services performed since July 1, 2009. The initial term of the agreement expired on December 31, 2009, and was extended to December 31, 2011.

Finally, we entered into a License Agreement with Sharecare and each of ZoCo 1, LLC, Discovery SC Investment, Inc., Oz Works, L.L.C., and Arnold Media Group, LLC pursuant to which Sharecare granted each of the other parties to the agreement a perpetual, fully paid, royalty-free, worldwide, non-transferable, non-exclusive quitclaim license to software, programs, business processes and methodologies developed and owned by Sharecare and deployed into production as the technical platform for the Sharecare website, but expressly excluding the "look and feel" elements of the Sharecare website. The license includes the right to modify and adapt the technology to create derivative works and to use and combine the technology with other products and material. No more than twice every six months for five years, each licensee may request from Sharecare, and Sharecare will provide and grant a license to the licensee, all then-existing derivative works of the technology Sharecare has developed. The licensees may not use the licensed technology in or for the benefit of a business involved in the creation, aggregation, archiving, hosting or distribution of health and wellness information and content. Sharecare granted the license in return for contributions from each of the licensees of assets valuable to Sharecare in the development and launch of its business.

We described the material terms of these agreements in our Current Report on Form 8-K filed with the SEC on November 2, 2009, and filed copies of them with our Quarterly Report on Form 10-Q filed with the SEC on November 16, 2009.

Financing Transactions

On November 23, 2012, the Company issued a \$1.8 million Senior Secured Convertible Promissory Note (the "First Note") to a lender controlled by and in part owned by Mr. Kai-Shing Tao, the Company's Chairman and Co-Chief Executive Officer. Mr. Tao has been a director of the Company since 2007. The terms of the First Note include:

- Interest accrues at 6.67% on an annual basis, payable quarterly.
- All principal and any accrued and unpaid interest is due and payable in full on the second anniversary of the First Note.
- The repayment of all principal and accrued and unpaid interest is secured by all assets of the Company other than the common shares of Sharecare, Inc. owned by the Company pursuant to Security Agreement (Security Agreement").

- All principal and accrued interest is convertible at any time at the election of the Lender at the rate of \$1.30 of principal and interest for each share of Company common stock.

On April 2, 2013, the Company issued a \$4.0 million Senior Secured Convertible Promissory Note (the "Second Note") to a lender controlled by and in part owned by Mr. Kai-Shing Tao, the Company's Chairman and Chief Executive Officer. Mr. Tao has been a director of the Company since 2007. The terms of the Second Note include:

- Interest accrues at 6.67% on an annual basis, payable quarterly, for the first year of the Second Note, and at 8.67% on an annual basis, payable quarterly, for the second year of the Second Note.
- All principal and any accrued and unpaid interest is due and payable in full on the second anniversary of the Second Note.
- The repayment of all principal and accrued and unpaid interest is secured by all assets of the Company other than the common shares of Sharecare, Inc. owned by the Company, pursuant to Amendment Number One to the Security Agreement.
- Upon approval of the Company's stockholders, all principal and accrued interest is convertible at the rate of \$2.00 of principal and interest for each share of Company common stock: (a) at any time at the election of the Lender; or (b) at any time after April 2, 2014, at the election of the Company, provided that the volume weighted average price of the Company's common stock is at least \$3.00 for at least 30 out of the 40 trading days immediately prior to the date the Company elects to convert.

The First Note and the Second Note were approved by the Audit Committee of the Board, which believes the related party transactions were negotiated as arms-length transactions.

COMPENSATION MATTERS

Compensation Discussion and Analysis

Introduction

The Compensation Committee of the Board of Directors approves all compensation and awards to the individuals included in the Summary Compensation Table (the "named executive officers"). Annually, the Compensation Committee reviews the performance and compensation of the Company's named executive officers, and, where it deems appropriate, other advisors, and modifies executives' compensation levels for the subsequent year. For the remaining named executive officers, the CEO makes recommendations to the Compensation Committee for approval.

The Compensation Committee met three times in 2012. The Compensation Committee's charter provides that it will (i) develop, approve, and report to the Board regarding the Company's overall compensation philosophy and strategy, (ii) establish corporate goals and objectives relevant to CEO compensation, evaluate the CEO's performance in light of those goals and objectives, and determine and approve the CEO's compensation level based on this evaluation, (iii) review and approve the compensation structure for the other executive officers and review and approve the CEO's recommendations with respect to executive officers compensation, (iv) oversee CEO and executive succession planning and development, and (v) make recommendations to the Board with respect to director compensation. In addition to the committee members, the CEO and other officers from the Company have been asked to attend meetings periodically as the committee deems appropriate. The Compensation Committee makes reports to the full Board of Directors based on its activities and, for certain activities, such as the determination of Board of Directors compensation, the Compensation Committee will make recommendations to the full Board for approval.

Executive Compensation Philosophy and Objectives

We work to attract and retain proven, talented executives who we believe will help to put us in the best position for growth and to meet our Company's objectives. We attempt to recruit executives with technology, internet, media or other experience that we believe is transferable to our business with the expectation that they will share their knowledge to create and develop a successful organization. We strive to provide our named executive officers with a compensation package that is competitive for a given position in our industry and geographic region. The purpose of our executive compensation program is to provide incentives for our executives to meet or exceed expectations. We believe our compensation objectives are achieved through a combination of base salary, incentive bonus, equity compensation and other benefits. With the exception of equity, or stock-based compensation, the compensation is paid in cash.

As a growth company, we believe that our executives should be fully aligned with the interests of our shareholders, and as such focus the compensation for our executive positions on the equity component. We seek executives who share our Company's entrepreneurial spirit, and accordingly wish to provide compensation reflective of such. It is our philosophy that bonuses are to be used to provide an added incentive to meet additional objectives which exceed ordinary expectations and not as salary itself, and, as such, bonuses are based on both individual and company-wide performance and objectives. Our stock-based compensation provides a means for our executives to obtain a degree of ownership in our Company in an attempt to align corporate and individual goals. The issuance of equity compensation is generally a component of each officer's total compensation package. However, there were some instances of equity compensation granted based on performance.

Upon election as Co-Chief Executive Officer in October 2012, and becoming Chief Executive Officer in December 2012, Kai-Shing Tao has declined to accept any compensation for his service as the chief executive for the Company. As a significant beneficial shareholder in Remark Media, Mr. Tao has expressed that his interest is in maximizing the value of the Company's publicly traded stock.

Elements of Compensation

During 2012, the compensation packages for our named executive officers included three principal elements: base salary; cash bonuses; and equity incentive awards.

Base Salary. Base salary for our executives is determined based on the specific level and experience of the executive and responsibilities of his or her position. Generally, the goal is to achieve a salary that is competitive with the salary for similar positions in similar industries within our Company's geographic region. The Compensation Committee reviews salaries during its annual review process when an increase, if any, is determined. Any increase in salary for the named executive officers is subject to Compensation Committee approval. In addition, base salaries may be adjusted, at the Compensation Committee's discretion, to realign a particular salary with current market conditions.

Bonus. Bonuses are to be used to provide an added incentive to meet additional objectives which exceed ordinary expectations and not as salary itself, and, as such, bonuses are based on both individual and company-wide performance and objectives.

Equity Incentive Awards. Granting equity incentive awards stock encourages our executives to focus on the Company's long-term success. The Company generally grants two types of equity awards: Restricted Stock and Stock Options.

Restricted Stock: The Company issues grants for restricted stock under the 2006 Equity Incentive Plan adopted April 13, 2006, and the 2010 Equity Incentive Plan adopted June 15, 2010 (collectively, the "Equity Incentive Plans"). The number of restricted shares that vest or recipients receive is generally based on their particular position within the Company and achievement of certain performance metrics established by the Board. All grants require the approval of the Compensation Committee of our Board of Directors.

Stock Options: The Company issues grants for stock options under the Equity Incentive Plans. The number of grants recipients receive is generally based on their particular position within the Company. All grants require the approval of the Compensation Committee of our Board of Directors. In the event of a change in control in Remark Media, any unvested options held by each of our named executive officers will fully vest on the date of the change of control.

Payments in Connection with a Change of Control or Termination

Certain of the stock option awards to our named executive officers and certain other members of management contain provisions providing for any unvested options to fully vest on the date of a change in control in Remark Media. If a change of control had occurred on December 31, 2012, the value of the options that would have vested was \$0.4 million.

Compensation of Non-Executive Directors

Our certificate of incorporation and bylaws specifically grant to our board of directors the authority to fix the compensation of the directors. For 2012 service, we paid our non-executive directors the amounts set forth in the following table:

Name	Fees Earned or Paid in Cash (1) (\$)	Stock Awards (2) (\$)	Option Awards (\$)	All Other Compensation (\$)	Total (\$)
Theodore P. Botts	\$ 20,000	\$ 23,960	\$ —	\$ —	\$ 43,960

(1) Includes annual retainers for members of the Board of Directors, and the chairman of each of the Audit, Compensation and Nominating Committees.

(2) Represents the fair value of restricted stock awards granted during 2012 and is measured based on the closing price of our stock as reported by NASDAQ on the grant date.

On March 28, 2012, our Board of Directors adopted a Director Compensation Plan for the year ended December 31, 2012, for its independent directors. The plan provides for the following:

Annual cash fee	\$ 10,000
Annual restricted stock of 4,000 shares	\$ 23,960
Total annual compensation	\$ 33,960

In addition, the chairman of our Compensation Committee and the chairman of our Nominating and Governance Committee receives additional cash compensation of \$2,500 per year, and the chairman of our Audit Committee receives additional compensation of \$7,500 per year. We also reimburse all directors for the Company-related travel expenses in accordance with our Company-wide policy.

The terms for the payment of our independent director compensation include the following:

- Cash retainers were paid quarterly in arrears.
- Restricted stock vested in full on December 31 of the year of grant, contingent upon the recipient having attended at least 75% of board meetings held during the year; otherwise, vesting was prorated based on attendance.

Our directors as of December 31, 2012, Messrs. Botts and Tao, each were granted 4,000 shares described above on

March 26, 2012. The restricted stock granted to Messrs. Botts and Tao vested in full on December 31, 2012. Mr. Tao became an executive as of October 2012; because he declined any compensation for serving as an executive, his compensation for service as a director was not curtailed.

Summary of Auditor Fees and Pre-Approval Policy

Our Audit Committee has adopted a policy for the pre-approval of all audit and permitted non-audit services that may be performed by our independent registered public accounting firm. Under this policy, each year, at the time it engages the auditors, the Audit Committee pre-approves the audit engagement terms and fees and may also pre-approve detailed types of audit-related and permitted tax services, subject to certain dollar limits, to be performed during the year. All other permitted non-audit services are required to be pre-approved by the Audit Committee on an engagement-by-engagement basis. All of the auditor fees for the last two years, as detailed below, were pre-approved by the Audit Committee or full board. The Audit Committee may delegate its authority to pre-approve services to one or more of its members, whose activities are reported to the Audit Committee at each regularly scheduled meeting.

The following table summarizes the aggregate fees billed for professional services rendered to Remark Media by Cherry, Bekaert & Holland, L.L.P. in 2012 and 2011. A description of these various fees and services follows the table.
